Alexander Building Construction Co. wins Mid-Atlantic Chapter CMAA Project of the Year Award

Harrisburg, PA, May 6, 2009 . . . Alexander Building Construction announced that is has been awarded the Mid-Atlantic Chapter of the Construction Management Association of America (CMAA) 2008 Project of the Year Award for the Lancaster General Hospital Downtown Pavilion and New Parking Garage project. The project, which was completed in the fall of 2008, includes a new 79,000-square foot medical building, a 1600-space parking garage, and a 2-level pedestrian bridge connecting the new building to the main hospital. The project has also received the 2008 Envision Lancaster Award from the Lancaster Planning Commission.

Gray's Woods Ambulatory Care Campus also received honorable mention by the Mid-Atlantic Chapter of CMAA at the awards banquet held on May 4, 2009. The project is a LEED® Gold certified, 64,400 square-foot building that includes treatment spaces for ophthalmology, radiology, urology, cardiac care, pediatrics, family care, women's care, ear, nose & throat and other procedures.
