Alexander Building Construction Co. National Construction Manager Ranking

Harrisburg, PA, July 31, 2009 Alexander Building Construction's affiliated group of construction companies (Butz Enterprises) is once again among the Top 100 construction management firms in the U.S. positioned at number 91, as ranked and published by Engineering News-Record (ENR) magazine in the June 2009 issue. ENR, a construction industry trade magazine published by McGraw-Hill Inc. of New York, also ranked Butz among the Top 400 contractors, at number 250. The Top 400 list includes construction management and general contracting firms.

Alexander and its sister companies, Alvin H. Butz, Inc. and Shoemaker Construction Co. are combined the fourth largest CM firm in Pennsylvania based on ENR's rankings. Alexander is currently managing construction projects totaling \$184 million.

###

ABOUT ALEXANDER: Alexander Building Construction Co. provides construction management and general contracting services for corporate, commercial and institutional clients in central Pennsylvania. With a heritage of over 80 years, the company has a reputation for high-quality, cost-effective construction management services and is recognized as the premier builder of the region's largest, most complex structures. The firm possesses significant experience in the construction of healthcare facilities, colleges/universities, retail buildings, K-12 schools, correctional facilities, corporate office buildings, and mid and high-rise residential towers.
