## **Alexander Building Construction Co. awarded Phase I of the District Wide Facilities Master Plan for State College Area School District**

State College, PA, July 20, 2009 . . . Alexander Building Construction today announced the award of a construction management contract for Phase I of the District Wide Facilities Master Plan for the State College Area School District. Phase I projects consist of consolidating the Boalsburg and Panorama Village Elementary Schools in a New Elementary School at the Panorama Village site, replacing the current Ferguson Township Elementary School through a combination renovation/new construction project, and an addition to Gray's Woods Elementary School. Both the new Panorama Village and Ferguson Township Elementary Schools will be approximately 55,000 square feet and will be designed for 400 students with the option of expanding to allow for 500 students at a later date. LEED Silver certification will be sought for both buildings. The Gray's Woods Elementary School project will consist of adding four classrooms to the existing school and the design of additional parking and site development. Construction is scheduled to begin Spring 2010.
