## **Alexander Building Construction Co. Participates in the United Way of the Capital Region's Day of Caring**

Harrisburg, PA, October 26, 2009 . . . On September 11, seven employees from Alexander Building Construction participated in the United Way of the Capital Region's Day of Caring. The volunteers worked in conjunction with Rebuilding America of Greater Harrisburg to provide home repairs and other maintenance work for a Harrisburg resident. Coordinated and led by the United Way of the Capital Region and sponsored by PNC Bank, Day of Caring is held on the Friday after Labor Day each year. Volunteers from the region are matched with a special project that may otherwise not be completed.

Alexander's team provided interior home repairs as well as landscaping. Rick Seitz, President of Alexander, says "The Day of Caring project is a unique opportunity for our team to volunteer their time to support the United Way and their program partners and I'm grateful to our volunteers. Alexander is proud to support the United Way's efforts in our community."
